

CHIPPEWA COUNTY 4-H LEATHERCRAFT

Join Leathercraft leaders Steve & Brenda Frisinger and Tom Seckora to learn about leathercraft!

These workshops are geared for all skill levels; those who want to learn about leathercrafting and those who would like to continue to perfect their crafting skills.

Steve and Brenda Frisinger along with Tom Seckora will be offering two leathercraft workshops this coming winter. Participants should plan to attend both sessions if possible, but not required. This will allow you time to prepare and stamp your item on your first visit, then on your second visit, you will have the opportunity to add color and seal your item(s).

If you are an advanced leathercrafter, you are encouraged to bring along a project you are already working on if you have one or if you have a project to start that you have purchased, bring that along too.
