

Welcome to your weekly addition of the Chippewa Chatter! We are looking forward to sharing with you the latest and greatest in the 4-H world in weekly updates.

Clover College will be held on Saturday, January 25th at Chippewa Falls Middle School! This event is open to 4-H and non 4-H youth in grades K-6. Clover College provides a variety of sessions for youth to choose from to learn and experiment including coding, cookie decorating, gardening, healthy snacks and more! Invite your youth's friends and show them hands on how great 4-H is: Download the registration form and learn more [here](#).

This year's Safety Poster contest is held in conjunction with the Clover College event. Safety in our homes and at work sites is very important in preventing accidents and injuries. Members are encouraged to take time and put thought and pride into their poster/essay/video entries. This is a great opportunity for the youth to express their thoughts on a safety issue. Contest results are then displayed through the month of February at our event co-sponsor Eagle Point Mutual Insurance in downtown Chippewa Falls. Contest information for 2020 can be found [here](#).

Clubs that also have 75% participation receive a prize!

Join the Chippewa County 4-H Teens as we adventure into the Twin Cities for a Mall of America shopping trip on Saturday, December 14th! Youth in grades 6 and up are welcome to register to join in the fun! Additional information can be found [here](#). Contact Heidi Vanderloop at Heidi.vanderloop@wisc.edu for more information.
