

Welcome to your weekly addition of the Chippewa Chatter! We are looking forward to sharing with you the latest and greatest in the 4-H world in weekly updates.

The 5-8 Grade WI Adventure Experience registration is now open! Youth will be venturing to Green Bay, WI from **June 16-18**. Stops include: The Menominee Nation Museum, Lambeau Field, Bay Beach Nature Preserve and Amusement Park, and touring and eating at a pizza farm on the way home. Youth will build their understanding of Wisconsin culture and history on this experience. The cost of \$175 includes all lodging, meals, admission and transportation. **Registration is due by May 15 and is open to the first 45 youth.** Registration and more information can be found here: [5-8 Grade WI Adventure Experience](#)

The Dog Program is underway planning for its' 2019-2020 Educational Opportunities. Dog Obedience Training will begin on **Thursday, March 12** at the Woodmohr Town Hall. Youth have the option of taking the class from either 6-7:15 pm or from 7:15 pm to 8:30 pm. Youth do not have to be enrolled in the Dog Project to take the class. The fee is \$20 and payable to Chippewa County 4-H Leaders Inc. and enrollment forms can be sent to chippewa4hdogproject@gmail.com or both can be brought the first night of class. Registration Materials can be found here and all three must be submitted:

Dog will also be having a learn in on **March 21** at the Lafayette Town Hall. Please email Missy at chippewa4hdogproject@gmail.com if you are interested in attending. If you are interested in receiving dog information, please let Missy know and she can add you to the email list.

Chippewa County 4-H is partnering with Jennifer Castellano, Stanley-Boyd Art Teacher for a jewelry making workshop! In this exciting workshop, artists will create a necklace using polymer clay. Polymer clay is fun to work with as it is brightly colored and bakes quickly. In addition to the necklace, participants will design a unique display for their creations. Youth can choose to make earring, a necklace, or both! Classes will be offered on **February 20 from 5-7 PM** or **February 22 from 10-Noon**. **Bring payment to the class.** Registration can be found here: [Jewelry Making Workshop](#)

We will be having a LEGO Mindstorm Introduction Class starting Tuesday, April 7, 2020. This class will cover the building and basic commands of the EV3 robot. This class is for 5th-12th grade and is limited to a total of 8 youth. Parents are welcome to take part and help their youth, plus if there are open computers, you can do your own! The class will be challenging! Basic computer knowledge is helpful, but not necessary. For more information and to get signed up, contact Scott Hansen. Registration and contact information can be found here: [LEGO Robotics](#)
