

Welcome to your weekly addition of the Chippewa Chatter! We are looking forward to sharing with you the latest and greatest in the 4-H world in weekly updates.

The Chippewa County 4-H T-shirt Design Contest is here! Chippewa County 4-H is looking for a new t-shirt design for the county-wide t-shirt. Please submit your design to Heidi by November 10th. The top concept will be used and will be voted on by the program. Please keep the design single colored to keep it cost effective.

The winning designer will receive a free t-shirt!

The Cloverbud Connect Zoom program is here! Please put the 3rd Saturday of each month on your calendar from 9:30 to 10:30 am, with the next program running on November 21st. A project list will be sent out in advance to the participants and most use supplies that you can find in your home.

Cloverbuds from around Chippewa County can engage in a Cloverbud project meeting using the WI 4-H Cloverbud curriculum developed by Monica Lobenstein.
